## VERSE 1

4 1  
Jesus, I love You  
5 4 1  
This is my life's refrain  
4 1  
You are the one thing  
5 6 4  
I'm living for your great fame

## VERSE 2

4 1  
Lord, I surrender  
5 4 1  
All of my loss is gain  
4 1  
If I can know You  
5 6 1  
In power and suffering

## CHORUS

4 1  
All the glory all the honor  
4 5  
All the praise is yours forever  
4 1  
All the glory all the honor  
4 5  
All the praise is yours forever

## VERSE 3

4 1  
Come take the coal, Lord  
5 4 1  
Burn all my sin and shame  
4 1  
I am your servant  
5 6 1  
Spend me for your great name

## BRIDGE

1  
The glory of your name  
4 1  
It matters more than my acclaim  
6 1  
The kindness of your grace  
5  
Why I can't help but shout your praise  
1  
The blood that spilled for me  
4 1  
It is the confidence I need  
6 1  
That barren garden tomb  
5  
It prophecies I will rise too  
1  
Oh Jesus haste the day  
4 1  
When you shout aloud and empty graves  
6 1  
And the kingdoms of this world  
5  
Will be the kingdom of our God

## CHORUS 2

4 1  
All the glory all the honor  
6 5  
All the praise is yours forever  
4 1  
All the glory all the honor  
6 5  
All the praise is yours forever
