I won't wait to love You, Lord, no I won't

## VERSE 2

**F** **C**  
In mysteries grey, when light fades away  
**Gm** **Bb**

**F** **C**  
Before the promise, when answers delay  
**Gm** **Bb**  
I still will give You my heart, the gold refined in flame

## BRIDGE 1

**F**  
In the whirlwind you're the center  
**C**  
In the furnace you're protector  
**Gm**  
In the silence You are speaking  
**Bb**  
In the valley You are leading  
**F**  
In the tension, you're revealing  
**C**  
New dimensions of your nature  
**Gm**  
It's your goodness, and your mercy  
**Bb**  
You are with me, You are for me

## BRIDGE 2

**F**  
I'll sing before the mountain  
**F/A**  
I'll worship in the pain  
**Bb**  
Not waiting for the breakthrough  
**C**  
Not wondering what I'll gain  
**Dm**  
So I won't wait to love you  
**F**  
I'll join with all the saints  
**Bb**  
In suffering or in triumph  
**C**
