VERSE 1

1
 All our efforts left us empty
 4 1
 Our best has left us dry

 On its own a branch yields nothing
 4 6
 When its separate from the vine
 4 1 5
 But You know our weakness well
 6 4 1 5
 And You said your burden's light

HOLD

1///

VERSE 2

1 5
 The frame we've carried's car too heavy
 6
 Our strength alone can't hold
 4
 Our heart's been laden with religion

 And we need rest inside our souls
 6 4 1 5
 But You know our weakness well
 6 4 1 5
 And You said your burden's light

CHORUS (x2)

1 5
 Praise breaks the heavy yoke

 The heavy yoke

 The heavy yoke
 6 4
 Praise breaks the heavy yoke

 The heavy yoke

 The heavy yoke

VERSE 3

1 5
 The journey's filled with hills and valleys
 6
 The testing of our faith
 4
 Highest heights and deepest canyons
 6
 But each season marked by grace
 6 4 1 5
 Still You know our weakness well
 6 4 1 5
 And You said your burden's light

INTERLUDE

5 / 6 | 4 / 1 | 5 / 6 | 4 / 1 |

BRIDGE

5 6
 Mourning turning into Joy
 4 1
 Heaviness for robes of praise
 5 6
 Ashes get exchanged for beauty
 4 1
 At the mention of your name
 5 6
 Prison doors are flung wide open
 4 1
 Broken shackles testify
 5 6
 So lift your voice in thanks to Jesus
 4 5
 What once was dead now back to life

(LAST TIME)

4
 What once was dead now back to life
