The hands that stretched the skies cause the seas to rise  $\frac{1}{2}$ 

Graven with my name bear the scars of pain

The voice that shaped the earth gives each life its worth 4

Calling out my name from an empty grave

4 !

Son of God drawing near to us

1/3 6
Through a sinners cross pouring out your affection

4 5

Christ our Lord with a crown of thorns

Oh the curse You bore for the joy set before you

It was all for love all for love

# **VERSE 2**

The face that shone with light veiled from all mankind

Put on flesh and blood torn apart from us

The breath that holds all life calls the dead to rise

From Calvary crying out it is finished now

It echoes through the ages it was all for
