VERSE 1

4 6 5
There's a song sung by heavenly hosts
4 6 5
And a sweet sound from here down below
4 6 5
Let these simple sincere melodies
1/3 4 5
Flow like streams into the sea
1/3 4 5
Join heaven's choir and symphony

CHORUS

4 6
From this house – be lifted up
1 5
From this heart– let praise pour forth
4 6
Our Hosanna belongs to You
1 5
We won't withhold the praise you're due

VERSE 2

4 6 5
Everyone offer up their own song
4 6 5
We've been locked up in silence too long
4 6 5
There's a sound rising up from your church
1/3 4 5
sons and daughters who know they're free
1/3 4 5
shouting our anthems of victory

BRIDGE

4 5
Creation's already singing
4 5
The rocks are ready to shout
4 5
Heaven's already declaring
6
But it's our turn now
5
It's our turn now

BRIDGE TAG

4
It's our turn now
5
It's our turn now
6
It's our turn now

It's our turn now
