1 1sus 1
Thank you oh my savior for the cross
1 4 5
Theres no way to measure all it cost

struggling to breathe

Grief and joy collide inside of me
4 5 1
Thank you is the only song to sing

VERSE 2

1 1sus 1
Murdered by the ones You came to save
1 4 5
Hated You still showed amazing grace

Were the first that you forgave

How could I not love this humble king?
4 5 1
Thank you is the only song to sing

CHORUS

1 4 1
Hallelujah be lifted high
4 1 6 5
The wounded savior now glorified
1/3 4 6
Hailed victorious for all to see

Praise forever to the suffering king

VERSE 3

1 1sus 1
Could have saved yourself but You refused
1 4 5
Just a word and angles rescue You

But no one took your life away
4 5 6
Only love could keep You on the tree
4 5 1
Thank you is the only song to sing

VERSE 4

Only perfect man who ever lived
1 4 5
Only perfect blood could cover sin

But only man could pay the debt
4 5 6m
Jesus you're the only rightful king
E4 5 1
Jesus you're the only son to sing
