A crimson tree stained by blood

Your misery driven by love

A healing place where suffering and grace collide

Crucified in intercessory love You died

Oh the precious blood
4 5
Worthy, worthy
4 6 5
I remember love

Spotless lamb marked with pain

The Son of God became a Holy sacrifice

BRIDGE 1

4 5
The earth did shake and heaven mourned
6 1/3
And the angels wept at the burden borne
4 5
And the cosmos paused to witness your death

My heart will praise I will not forget

BRIDGE 2

4 5
And the darkness thought that the war was won
6 1/3
As the blood poured out from the Father's Son

But the curtain tore at your dying breath

When your soul cried out it is finished

FINAL CHORUS

4 5
Worthy, worthy
4 6 5
Oh the precious blood
6 5 1/3
Worthy, worthy
4
I remember love
