A crimson tree stained by blood

Your misery driven by love

A healing place where suffering and grace collide

To justify all who would come

Crucified in intercessory love You died

Worthy, worthy

Oh the precious blood

B C#m G#m  
Spotless lamb marked with pain

My heart will praise I will not forget

## BRIDGE 2

E F#  
And the darkness thought that the war was won  
G#m B/D#  
As the blood poured out from the Father's Son

But the curtain tore at your dying breath  
G#m F#  
When your soul cried out it is finished

## FINAL CHORUS

Worthy, worthy  
E G#m F#  
Oh the precious blood  
G#m F# B/D#  
Worthy, worthy

I remember love
